

Report on EARTH DAY

22-04-2022

The Department of Economics, Kamrup College, Chamata, celebrated World Earth Day on 22nd April, 2022 to spread awareness about conserving our earth. The programme started at 10 AM in the morning with an inaugural speech given by the respected Principal of Kamrup College, Chamata, on how we should conserve our earth and mother nature. He spoke about the importance of planting trees, wet and dry wastes separation in order to make way for easy decomposition and many others. After the speech, students have practiced their duties and responsibilities for the conservation of earth. More than thirty students with principal and departmental faculties attended in the awareness programme. There was also a prize distribution ceremony for a quiz competition (organised previously) among students. Out of four competing groups, the first and second prizes were awarded to Group- B (Bhagyashree Talukdar's Team), and Group-D (Kaushik Barman's Team) respectively. Finally, the programme was concluded with vote of thanks offered by Dr Biswajit Das, Assistant Professor, Department of Economics.
