**Report on Exposure Visit to Krishnaguru  
Sewaashram, Nasatra**

An educational trip and exposure visit was organised on 30th March 2024 for the 6th semester students of our department of Economics to Krishnaguru Sewaashram, Nasatra. Paramguru Krishnaguru Ishwar established the Krishnaguru Sevashram in 1974, at Nasatra village in Barpeta, Assam. He is the ninth descendant of Mahavaishnab Manohardeva, who was a follower of the great Vaishnavite saint Shri Shankardeva. Many followers and tourists visit this ashram through out the year. It also has an university named Krishnaguru Adhyatmik Visvavidyalaya which stands unique as an Institution in the North-Eastern states of India where Spiritual Education is imparted along with higher academic studies to substantiate the true form of knowledge. The ultimate aim is to deliver knowledge with virtue. It is imperative for all round development of a student to acquire Spiritual education along with higher academics in order to inculcate in them essence of humanity and build them as a true human being to render the service to the nation committed to develop.

This visit was an eye opening experience for the students in terms of understanding about a religious and spiritual ashram who runs a renowned private educational institute for holistic development of the region.
