MEMOREENDUM OF UNDERSTANDING (MOU)

between

Department of Chemistry, North Gauhati College,
North Guwahati

P. O.: College Nagar, Dist: Kamrup, Assam

PIN: 781031

and

Department of Chemistry, Kamrup College

PO: Chamata, Dist: Nalbari, Assam

PIN: 781306

This Memorandum of Understanding (MoU) is signed to establish a cordial relation between Department of Chemistry, North Gauhati College, North Guwahati, P.O.: College Nagar, Dist: Kamrup, Assam, India, PIN: 781031 and Department of Chemistry, Kamrup College, Chamata, Nalbari, P.O.: Chamata, Dist: Nalbari, Assam, India, PIN: 781306. This MoU is made and executed on 27th January, 2023 for 5 years from the date of effective at Chamata, Nalbari, Assam.

Preamble:

The Department of Chemistry, North Gauhati College from its inception in 1979 is offering higher education to students of the locality. The Department of Chemistry, Kamrup College, Chamata was established in 2022 to offer higher education in Science to the undergraduate students of the locality.

This primary goal of the Memorandum of Understanding is to encourage the creation of cooperative and useful programmes that will benefit both the institutions' students and faculties while fostering friendly connection between the two parties.

Thus in support of their shared interests in the field of education, the Department of Chemistry, North Gauhati College and Department of Chemistry, Kamrup College Chamata have decided to collaborate on some activities, such as faculty exchange programmes, student exchange programmes and faculty improvement programmes, as and when deemed necessary.

Aims and Objectives:

In consideration of the academic areas of mutual interest on a basis of equally and reciprocity by this MoU, both the department have agreed to:

1. Cooperate in the exchange of information relating to their activities in teaching in the field of mutual interests.
2. Faculty from both the institutions will teach students in theory and practical classes as needed.
3. Plan joint workshop for the benefit of the academic staff and students from the two colleges.
4. Do cooperative fieldwork with students to improve the calibre of their research projects.
5. Launch cooperative outreach initiatives for improving neighbourhood.
6. To publish research books, book chapters and other academic journal in collaborative mode between the teachers.

The aim of the Memorandum of Understanding (MoU) is to achieve a broad balance in the respective contributions and benefits of the collaboration and this shall be subject to periodic review by both institutes. The collaborative activities as per this MoU shall be governed by the rules and regulations of both the institutions.

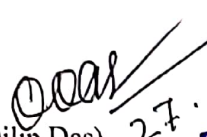

Anytime throughout the length of the agreement, either institution may end it by giving the other institution a three-month written notice.

Both the Department of Chemistry, North Gauhati College and Department of Chemistry, Kamrup College Chamata welcome this Memorandum of Understanding for cooperation and jointly agree to the provisions as enumerated above.
